

Let us help you plan your Special Day

Thank you for considering Muñoz Catering for your special event. When we say "Carne Asada Specialists" we mean it. For over 25 years our specialty has been our famous Muñoz Carne Asada, a tender Beef Skirt Steak, marinated for three days in our secret family recipe originally developed by my Grandfather. Additionally, we offer a wide variety of Mexican Food, Classic American BBQ and other Specialty Menus (Hawaiian, Italian, etc.). We also take special requests. We haven't gotten one yet that we can't handle. You name it and we'll cook it up for you at the location of your choice!

For your convenience we are able to plan, coordinate and serve special events like weddings & quinceañeras. We work with you closely to determine your budget and then we make your event happen just the way you want. Besides offering complete party planning services (bartender service, rental equipment, set-up & clean-up) our courteous & friendly staff will serve your event with a smile! We'd be pleased to speak with you regarding your upcoming event. Please see our website at www.AffordableWeddingCatering.com for more information. No prices are quoted on the website as menus and pricing vary based on many details. So please contact us at the number below to schedule your complimentary tasting today!
